

# CLASSROOM MENTORING Sessions

---

*Objective: Build rapport and trust with the students in the classroom.*

## **Week #1 -The Introductions**

- The mentor's introduction ( Name, Company, What Company does, job title and description)
- The students' introductions (Name, age, and another interesting fact (like where they were born, favorite movie, sport, car, etc)
- Then the mentor tells the class about his/her job and educational background. How they made it from high school to where they are now.
- Take and answers any questions from the students about their job and company.
- **Wrap Up:** Briefly explain that you will be coming to visit their classroom every week/month(schedule)to get to know the students better and help them “Focus on their Future Success”
